MOUNTFORT
PLAY
INDIRA NAGAR

WHO WE LEARN FROM

Run by a team of intellectuals and visionaries, "MountFort" echoes uniqueness in its journey in education. As a part of its commitment to create lifelong learners who envision their own growth and create a style that works for them, Mountfort brings the world to the classroom and enables students to think for the greater good and create a new world of harmony and enthusiasm. It breaks all the boundaries and lets children dream big, focus better, reflect more and thus move towards a future full of prospects.

School Leadership

My name is Ruchika Bhasin and I have been with the Mount Fort Academy for a while now. I truly believe working with children is my calling! With their glittering eyes and perplexing smiles, they always take my heart away. Ohh, what energy these little bundles of joy have! My philosophy is quite simple and that is, each child is unique, therefore they learn and thrive at their own pace.

Together with a team of amazing and creative teachers, I am committed to providing your child with a loving and developmentally sound foundation for a lifetime of learning. At Mount Fort Play, we know that play is a child's most important work,

and we strive to create and maintain an environment where your child can grow and thrive while exploring the world around them. It is our duty as educators to give them the maximum and let them decide what they want to take out of it! No Limits, No boundaries, just ample Learning and Exposure.

Ruchika Bhasin

Headmistress, MountFort Play. Ms Bhasin holds a postgraduate degree from Edith Cowan University, Australia and has been an educationist for more than 14 years.

Parents as Partners

At MountFort Play we believe that parents **provide encouragement, support, and access to activities that enable the child to master key developmental tasks.** With a transparent system here, all parents can easily communicate through:

- Regular parent-teacher time
- Interactive parent activities & excursions
- Planned unit assessments (No-exam policy)
- Feedback sessions & calls done via the team

Our expectations from the parents

- Be respectful towards your children, as well as teaching them to be respectful to others.
- Teaching & learning to be thankful for what you have
- Learn to not give up, and learn from one's mistakes.
- Avoid saying 'No' all the time to the child.
- No comparisons! Each child is unique!
